

Can you find  
out where in  
the world  
these famous  
astronauts  
are from?

World Map

**Kalpana Chawla**  
1962 - 2003

She was the first female astronaut from India to go on an expedition into space.  
There is a hill in India named after her.

**Yuri Gagarin**  
1934 - 1968
