**Make your own rocket!**

Shall I make it on my own  
or with someone else?

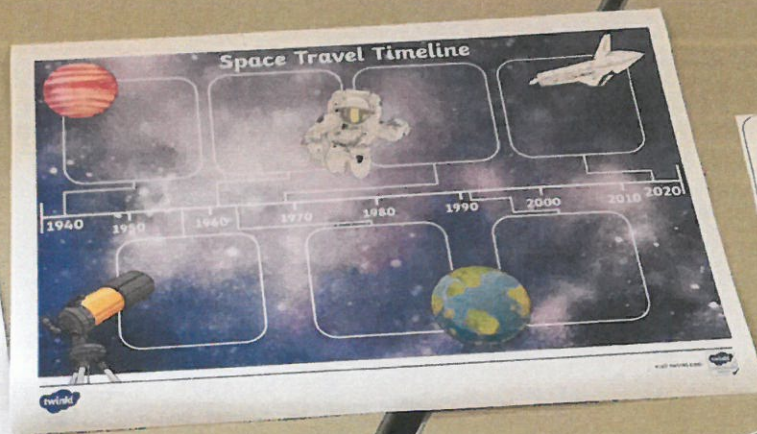

Shall I plan first or just  
start making it?

Shall I draw my rocket, or  
shall I make it using  
different materials or  
resources?

**Space Timeline**  
Can you complete  
this timeline?  
What is a timeline  
for?  
Why do you think  
timelines are  
important?

Draw your  
own space  
ranger or  
space hero!
